

SHPE General Meeting:

Wednesday, February 23, 2011

12:45 PM: Meeting called to order.

9 of Attendees:

Eric Tanori

Robert Souza

Dave Mensching

Tyler Peterson

Ryan Slabaugh

Evan Ruwe

Joe Nelson

Ward Schrimsher

Prof. Mo

General update

- 45% membership increase so far for MemberSHPE contest
- we are currently at our max membership number ever, so if we get one more then we can have the highest ever membership rate in our club's history

Engineering week

- Going to Patrick Henry HS tomorrow at 1:10PM
- Thinking about small prizes for answering engineering questions for participation
- Prof Mo has a bunch of Mesa College pens to hand out as well.
- Talk about the engineering program at Mesa (It's the best!)

Patrick Henry Science Fair

- Invited to Patrick Henry Science Fair next week
 - March 1st from 8:30AM - 11:30AM
 - Tyler can volunteer first half, Ryan 2nd half
- We may look into starting a Jr. Chapter here

RLDC 2011 Region 2

- we have 6 people registered now
- Registration open till March 9
- If you wish to attend and register but do not have the funds contact the E-board at E-Board@SDMesaSHPE.org (This will be kept confidential)

Resume Workshop

- Evan Ruwe is meeting today with a representative from the Career Center to set up a workshop
- This will be a great thing to help with internships, job searching both during and after college
- Mesa Honors Club is joining us in this venture

Walk on Water

- Decision made to keep shoe and revamp it
- weight to back of shoe
- shave nose
- new flaps
- meeting friday at 3pm Daves house aero drive/15

ICC Meeting / Officer Orientation

- Need a volunteer to represent us at the ICC meeting/ officer orientation
- Great opportunity to get some knowledge if you're thinking of running for an office in a club.
- Eric Tanori has volunteered to attend the meeting.

Votes

- reimburse Evan Ruwe for Pizza at the boat shoe meeting
 - Tyler Peterson motions

- Tyler Peterson motions
- Joe Nelson seconds
- vote: 9/0/0/9 **PASS**

Semester Goals

- Increase membership to 35 paid members:
 - We are up to 29 paid member now
- host and event w/ SHPE Jr. chapter:
 - Fabiola will hopefully be here next week to discuss in greater detail
- Organize professional speaker:
 - Solar Turbines tour late in the semester being organized by Prof. Mo
- Community Service event:
 - PH HS science fair next week
 - Clairemont Clean-up day w/ Circle K Int. is still being planned

Keppe Motor

- Robert Souza takes the floor
- Effectively reduces the wattage required to operate machinery and electronics
- Simple model details may be distributed to those interested
- Possible club project in the near future

1:35 PM: Meeting adjourned
